Spacious and bright property in the heart of Nueva Andaluca consists of a large hall large enough to accommodate and receive friends and family. We will access the cozy living-dining room with unique natural light given the large window and the terrace space that will be perfect to have tea and disconnect. The house has four very bright bedrooms, one of them with a suite bathroom, we continue with the hallway that separates another full bathroom and a very complete kitchen with a large storage capacity and spacious to enjoy our cuisine. We can also comfortably do the laundry with our beautiful and perfect laundry room. You will be able to arrive without rushing since you will directly access the garage with the convenience of parking as well as being able to store all the objects in its storage room. The urbanization is surrounded by all kinds of services, schools, pharmacies, restaurants, golf course just 5 minutes away, etc... what can we say a...
