This farm is located in a unique environment, with dreamy sunsets. It has a SINGLE FAMILY house designed with its own style, a rustic and modern touch to offer greater convenience and comfort. Ideal for people who dream of living in permanent contact with nature. In addition to water and electricity from the network; The complex has a well and deposits that guarantee the water supply throughout the year. It also has a filtration and water care system for consumption with a full guarantee of its health. The main house consists of a living room of more than 50M with fireplace, Loft Style and with access to the farm, there is also a Cellar that is accessed from the kitchen. 3 bedrooms with closet plus two full bathrooms on the same floor below, garage of more than 36M Upper floor, we find an area open to the living room, an office with access to a viewpoint with 360 panoramic views where you can appreciate both the sunset and the sunrise watching th...
