IN PROCESS

Finalist urban plot in the urban area of Jubrique, a white town paradise for hikers and nature lovers, 33 km away of Estepona, with an area of 1,200 m². You can build a multi-family building with 2,070 m² of roof (between 30 and 35 units of apartments), with all supplies at the foot of the plot (electricity, water, sanitation and road access). Next to the La Armona Fountain. Guaranteed mountain views from all apartments. More technical data on direct request. JCP
