“Annapurna II” is made up of 22 apartment and duplex style homes with 2 or 3 bedrooms divided into 4 blocks. They have communal garden areas and 2 swimming pools and each home is sold with an underground parking space and storeroom included in the price (there are optional extra parking spaces and storerooms). The top floor properties are 3-bedroom duplexes, there are also 2-bedroom duplexes, and the apartments all have 2 bedrooms. The properties are stepped so are not directly on top of each other as a traditional apartment would be and they just have one neighbour to one side. These 2-bedroom apartments have an open plan kitchen with a lounge/dining room that opens completely onto the large terrace, a utility room, and 2 bathrooms. They are built with high-quality materials and are being sold with hot and cold air conditioning via a duct system, u...
