Very spacious independent house on a walled plot with a wall with volcanic stone at various heights around its perimeter, it stands out for its great tranquility, great privacy, spaciousness, views of the sea, with plenty of sunlight all day due to its excellent south orientation, a large pool, spacious outdoor terraces, balconies with unique views of the sea, excellent quality construction materials and finishes, a large closed garage for 4 cars, etc.. . The house has 2 floors or levels, with a very large basement where the large garage is located.. . Within the plot itself, there are several entrances to the main house and also an entrance to another independent duplex-type house with 2 large bedrooms, bathrooms, kitchen, spacious living-dining room, balcony on the upper floor, on the lower floor a outdoor terrace with access to the pool and garden area.. . For investment, it is an unbeatable option, since you can allocate one of the houses for...
